

ANNOUNCEMENTS FOR THE WEEK OF MARCH 19, 2023

- **Wednesday, Mar. 22: Coffee and chat** – online at 11:00 am. - **Palm/Paper cross tutorial** – During our online Coffee time we will be holding a “cross” tutorial for anyone interested in learning how to make crosses. Since we don’t have palms, we will be using paper strips (1½ in. by 11 in.). You will need 2 strips per cross. Everyone is welcome, so come and have a fun time as we try really hard to make this make sense to you. Or you can come and just giggle at us.

- **Saturday, April 8** - Diocesan Easter Vigil Service at 8pm at All Saints' Cathedral. If you would like to volunteer to help with serving or reading, you can forward your name and contact information to Sarah Kemp at Assistant@edmonton.anglican.ca.

Thu Mar 23 @ 7:30: Science and Apologetics - River West Christian Church, 19815 45th Ave NW, Edmonton

Christians often encounter scientific questions and challenges from both inside and outside the church. Our youth cite the church’s stance on science as one reason for leaving, and problematic responses are routinely provided in the context of apologetics and evangelism. This talk will discuss several myths regarding science that are prevalent in both the church and the wider culture and suggest ways to answer scientific objections to the faith. Knowing more about the depth and nuances of Christian views on science can help prevent science from being a barrier to the gospel.
